

Break the chains to the past and learn to use the Internet and your existing skills to discover a new way of working.

Become a teleworker and work from wherever you want.

Everybody can telework! Employees, busy managers and entrepreneurs. Teleworking is a reality now.

Forget about rush hour, endless meetings with a stressed boss or the annoying chit chat of the guys in the next cube.

You can telework from home, a coffee shop, a park and even from a plane 35,000 feet up!

This is a book about people. It includes what I've learned in the last eight years, while working happily from home.

Telework People includes::
